The proceeds from the sale of the obligations authorized in such bond resolution (as amended and restated) will be used for the purpose of undertaking a capital improvements project consisting of the reconstruction of and construction of improvements to the Town Hall, such work to generally consist of (but not be limited to), brick work repair and painting, as well as other such improvements as more fully identified in (or contemplated by) one or more reports prepared by Wendel and Kideney Architects, P.C., including all preliminary work and necessary equipment, materials and related site work and any preliminary costs and other improvements and costs incidental thereto and in connection with the financing thereof (collectively, the "Project"), at an estimated maximum cost of \$200,000. Such amended and restated bond resolution authorizes the issuance and sale of a serial bond or bonds and a bond anticipation note or notes in anticipation of the issuance and sale of such serial bonds, in an aggregate principal amount not to exceed \$200,000, such amount to be offset by any federal, state, county and/or local funds received. The estimated maximum cost and the amount of bonds authorized were increased from \$130,000 to \$200,000 due to the increased cost of materials, labor and equipment. The period of probable usefulness for such purpose is 15 years; however, the bonds issued pursuant to this resolution, and any bond anticipation notes issued in anticipation of the sale of such bonds, will mature no later than five years from the date of original issuance of such bonds or notes. A copy of the resolution amending and restating the prior bond resolution, as summarized herein, is available for public inspection during normal business hours at the Office of the Town Clerk, located in the Town Hall, 21 Central Avenue, Lancaster, New York.
